2e - BRP Revision Presentation 6-15-2017.pdf

Dear Governing Board Members and Alternates,

Please find attached a copy of the presentation that Tom made at yesterday's Governing Board meeting on the Revision of the Bay Restoration Plan (BRP) of the Santa Monica Bay National Estuary Program. The content, especially the process laid out in this presentation will be relevant for months to come as we embark on the revision of the BRP. The first discussion regarding the revision of this document is expected to occur at the August 17th meeting. Kindly review this document between now and then to prepare yourselves for this opportunity to benefit the revision of the Bay Restoration Plan.

We apologize for the failure of the AV system during yesterday's meeting and we thank you in advance for your efforts in support of the Santa Monica Bay National Estuary Program.

If you have any questions about this presentation, do not hesitate to contact Tom Ford at tford@santamonicabay.org or (310) 216-9827 or Dr. Guangyu Wang at guangyu.wang@waterboards.ca.gov or (213) 576-6639.

Thank you and have a great weekend.
